DECADENT DINING

*Available in a wide
selection of wood
finishes with
matching fabric
and leather chairs.*

For over 80 years, Skovby Mobelfabrik have been creating pieces of timeless and lasting design combined with international quality and appeal. Simplicity and clean lines are united with high functionality through innovative patented solutions.

If your needs are for dining, occasional, display or multimedia furniture, Skovby will certainly appeal to all. The 2017 collection features a vast selection of 27 different extending dining tables which can seat up to 20 people at a time and also a wide choice in wood finishes and colours from lacquered to oiled. Matching dining chairs in a range of styles and excellent choice of fabrics and leathers complete the look perfectly.

Innovative LED lighting systems with finger touch control and Skovby Remote Link which allows all your AV equipment to be stored out of sight are just small examples of the attention to detail.

Soft curves, stringent lines, classical expressions and contemporary fashioning in natural wood sums up the complete Skovby Collection.

BEDTIME BLISS

Sleep is special, so we don't think it should come off the shelf – we think it should be tailored to you. That's why at **Harrison**, they don't just make beds. They make a great night's sleep.

There's no such thing as a standard person, which is why **Harrison's** believe there's no such thing as a standard bed. Outside and in, it's designed around you, right down to the last stitch, using natural materials, it's tailored to the size and firmness that suits you, and upholstered to your taste. With three different firmness levels available in each model along with warm side/cool side feature, **Harrison's** really do think of everything.

Inside every bed, there are several thousand miracles of engineering at work. Precision made springs-within-springs and high density pocket springs made with titanium alloy wire. It's the most innovative support technology you'll find anywhere in the world. Technology that makes every night's sleep the best you've ever had.

It's more than just a bed, it's a completely bespoke night's sleep.
